

# Reach Your Customers with the Hanson VELOCITIES™ MULTI-VENDOR CONSOLIDATION PROGRAM

## Chicago Consolidation Center

— Best-of-class 14,500,000 cu. ft. temperature-controlled facility strategically located at I-80/I-94/I-65 in Hobart, IN.

## Velocities™ Multi-Vendor Consolidation (MVC) Program

— Improves your fulfillment strategy and eliminates higher cost LTL shipments.

## Transportation Management Services

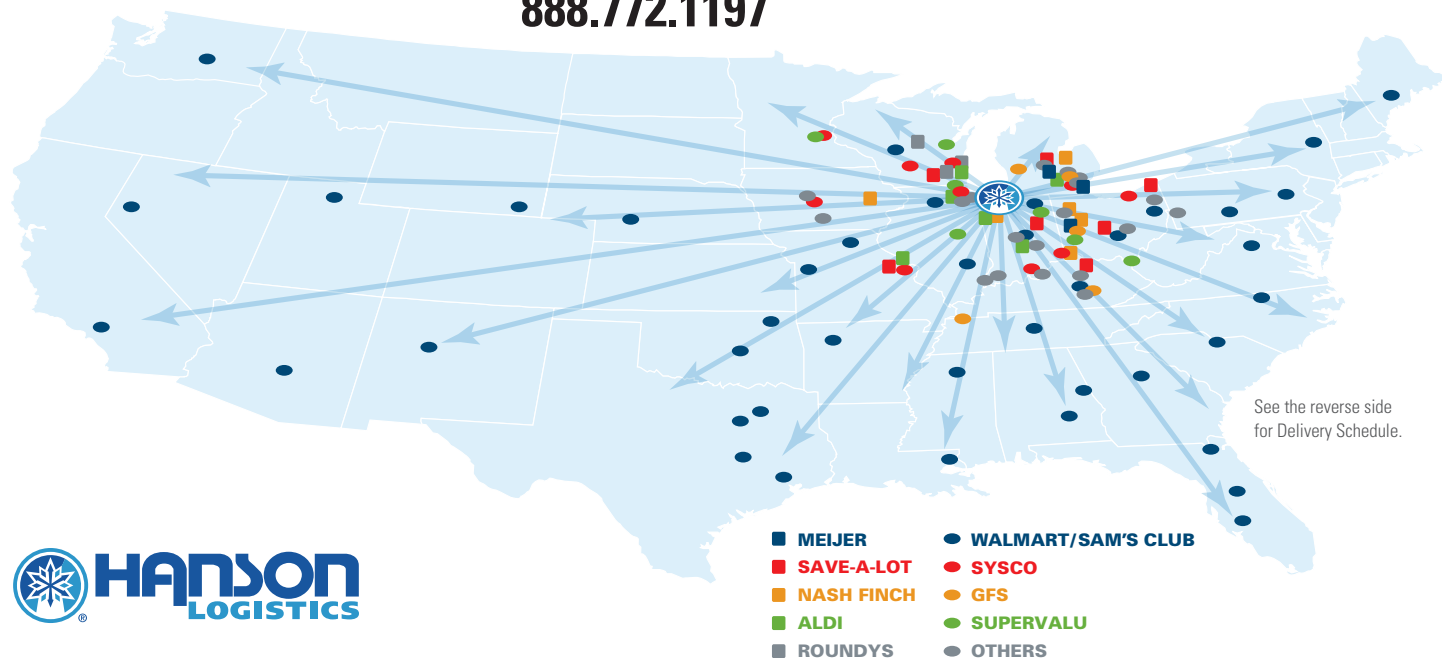

— Leverage Hanson Xpress truck fleet and qualified carriers to support replenishment and continuous moves.

Now you can optimize your retailer deliveries with Hanson Logistics Velocities™ Multi-Vendor Consolidation (MVC) Program. **Velocities™ MVC** is the core service of the Hanson Chicago Consolidation Center, our 14.5 million cu. ft. temperature-controlled facility located in Hobart, IN. Hanson Logistics handles documentation, electronic order management, consolidation and delivery — we are a central link for your retail customers, including Walmart. Simply maintain forward inventory in our vendor pool. We'll build your orders from forward inventory, combining your shipments with those of other vendors to create a more efficient truckload for scheduled delivery.

- Improved lead times
- Better on-time compliance
- Gain control over your transportation costs
- Share truckload delivery
- Combined warehouse and transportation service
- Single order/EDI transaction
- Simplified communication with one third-party provider
- Leverage visibility and electronic ordering technologies
